

Duration: 1 day

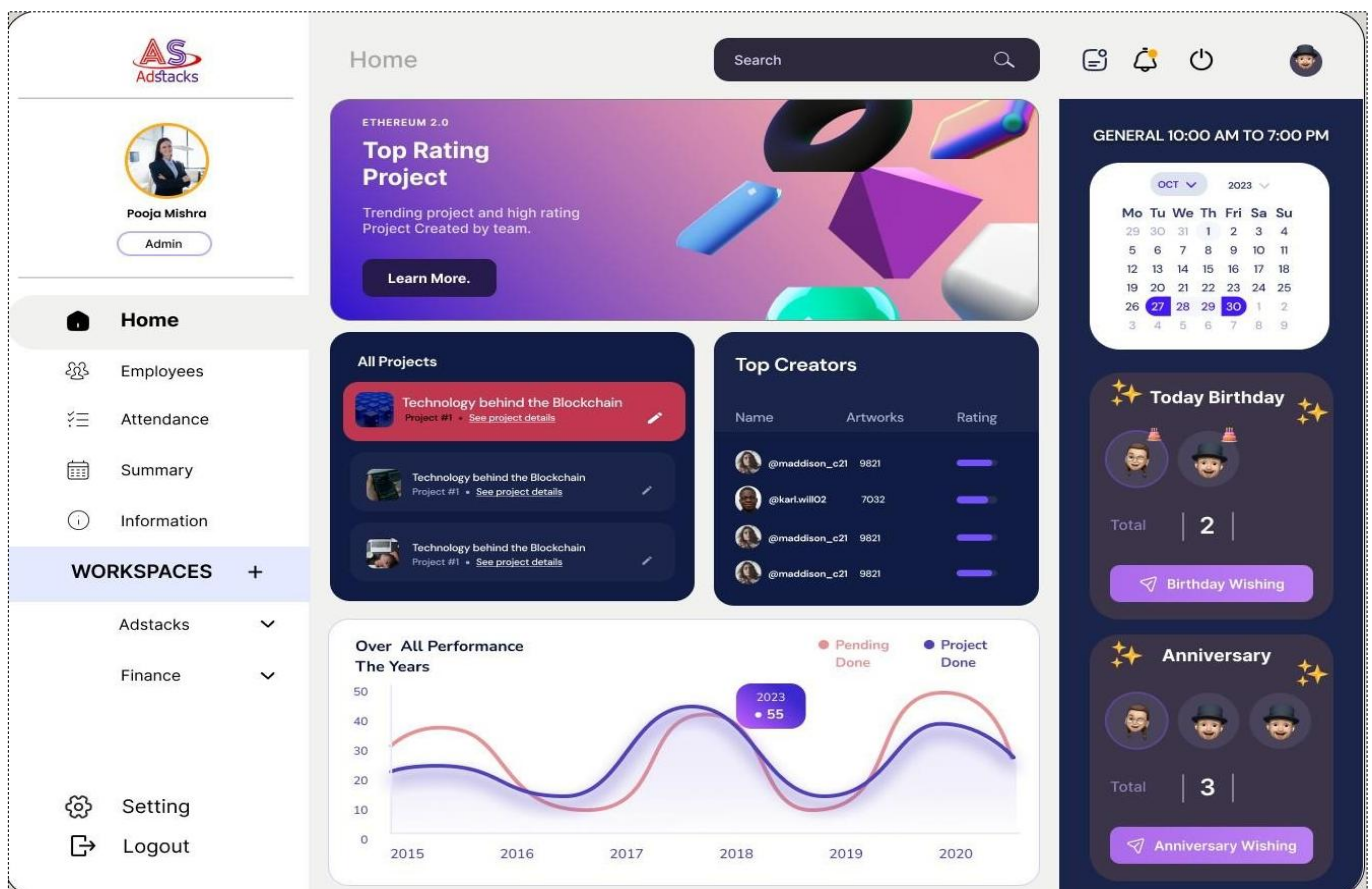

Test Brief

We have shared an image with you; try to design this with the help of Flutter.

Key Requirements:

- **Responsiveness:** The project must be fully responsive and optimized for all screen sizes, including **mobile, tablet, and web**.
- **Deployment:** After building the project, host it on **Vercel** or **Firebase** and share the live deployment link.

Note: Try to create the dashboard for the office use.

Submission

Please share your live project link and source code at: hr@adstacks.in
